faced with a depleted planet and a series of connected crises socially minded agents and entities within the world of culture and the arts are reacting from within with insights from sociology economics and cultural management and policy this book aims to chronicle the journey of smart a cultural and artistic social enterprise now present in eight european countries in order to illustrate such organisation s efforts to achieve its potential for social innovation and transformation tackling the endemic precariousness and intermittency of work through innovative arrangements for cultural workers and artists has been central to these efforts in many cases however this activism not only had a direct impact at the level of individual and collective labour but also has transformed the ways culture is governed readers of this book will better understand the connection between social innovation and culture and the arts gain awareness of the trends and transformations within the field of culture and cultural work and their connection with institutional arrangements and critically engage with the processes challenges and benefits of scaling up and diffusing social innovation the debates presented will be of relevance to scholars and students across disciplines policy makers at both eu and national levels practitioners and social activists

if today students of social theory read jurgen habermas michel foucault and anthony giddens then proper regard to the question of culture means that they should also read raymond williams stuart hall and slavoj zizek the routledge handbook of social and cultural theory offers a concise comprehensive overview of the convergences and divergences of social and cultural theory and in so doing offers a novel agenda for social and cultural research in the twenty first century this handbook edited by anthony elliott develops a powerful argument for bringing together social and cultural theory more systematically than ever before key social and cultural theories ranging from classical approaches to postmodern psychoanalytic and post feminist approaches are drawn together and critically appraised there are substantive chapters looking at among others structuralism and post structuralism critical theory network analysis feminist cultural thought cultural theory and cultural sociology throughout the handbook there is a

strong emphasis on interdisciplinarity with chapters drawing from research in sociology cultural studies psychology politics anthropology women s studies literature and history written in a clear and direct style this handbook will appeal to a wide undergraduate and postgraduate audience across the social sciences and humanities

social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all students in particular are likely to turn to the web to find quick background information on theorists and theories however most web based information is inaccurate and or lacks depth students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will in response sage reference plans to publish the two volume theory in social and cultural anthropology an encyclopedia features benefits two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage to ease navigation between and among related entries a reader s guide groups entries thematically and each entry is followed by cross references in the electronic version the reader s guide combines with the cross references and a detailed index to provide robust search and browse capabilities an appendix with a chronology of anthropology theory allows students to easily chart directions and trends in thought and theory from early times to the present suggestions for further reading at the end of each entry and a master bibliography at the end guide readers to sources for more detailed research and discussion

addresses both social and cultural geography in a single volume authored and edited by leading authorities in the fields the companion to social and cultural geography provides reliable and up to date coverage of both foundational topics and emerging themes within two vibrant and increasingly interconnected subdisciplines of geography building upon the companion to cultural geography first published in 2013 editors ishan ashutosh and jamie winders offer an expertly curated collection of original essays

with special emphasis on early career scholars geographers of color and geographers from the global south organized thematically the companion opens with a series of global dispatches from cultural and social geographers working in different disciplines and locations followed by explorations of key concepts in social and cultural geography such as identity belonging solidarity inequalities and intersectional geographies subsequent chapters examine a wide range of cultural and social geographies including creativity technologies science nature memory tourism migration labor and religion throughout the companion authors share fresh insights into the racial reckonings of late ongoing issues related to climate change the consequences of covid 19 and more across its 46 chapters the companion to social and cultural geography examines how approaches to human environment dynamics in social and cultural geography help shed light on current challenges covers critical topics such as justice protest borders public health urban planning indigeneity genders class race and sexualities emphasizes the value of a geographic perspective to understanding social and cultural dynamics discusses how geography has confronted its deep connections to colonialism imperialism and white supremacy addresses a range of emerging and established themes including queer and transgender geographies black geographies animal geographies and cultural geographies of states incorporates a diversity of writing styles narratives and analyses such as interviews conversations short essays autobiography and autoethnography accessible authoritative and highly relevant to today's students the companion to social and cultural geography is an essential textbook for undergraduate or graduate courses on social or cultural geography cultural studies cultural sociology and ethnic studies

developing cross cultural measurement in social work research and evaluation second edition is a practical hands on guide for social work researchers to learn how to develop assess and validate meaningful measurements across cultures and populations the book takes the reader from conceptualization to analysis using specific techniques with sem and irt for cross cultural research

drawing on successful practice and relating such practice to theoretical insights this comprehensive treatment of the challenge of educating children spiritually morally socially and culturally offers enlightenment for individual teachers classroom practice as well as for whole school approaches
