bachelor thesis from the year 2009 in the subject business economics offline marketing and online marketing grade 1 3 university of applied sciences bielefeld language english abstract in the year 2009 nintendo was placed fifth in the businessweek s ranking of the world s most innovative companies this confirms nintendo s significant rearrangement into an innovative design powerhouse that redefined the predominant business value factors of the video game industry however a few years ago no analyst would have anticipated that nintendo would develop in this direction until the mid 1990s the global home video game console industry was dominated by nintendo a japanese video game hardware and software manufacturer rivalry in this industry only marginally existed this changed when sony entered the market in 1994 by offering a console that was technologically superior sony outperformed the then nintendo console thereby new challenges arose for the japanese company nintendo lost its long lasting market leadership to the new entrant despite several trails to recapture market leadership during the end 1990s nintendo was stuck in second place instead of regaining market share the opposite was the case when microsoft a computer software giant joined the market in 2001 nintendo s market share slipped dramatically because they were not able to keep up the technological progress of its competitors the former market leader fell back to the third place of the industry analysts of the video game entertainment industry even recommended that nintendo withdraw completely from the highly competitive console market in order to concentrate on developing software 4 however nintendo refused to surrender but they were in biggest need to recover market share nintendo had a very different approach to strategy than sony or microsoft instead of competing for core gamers nintendo tried to expand the market and to win new customers for satoru iwata the president of nintendo the industry had been following a wrong path by only concentrating on core gamers because the number of overall users was getting smaller and decreased its spending patterns you must know when not to follow the traditional way of thinking iwata argued for some time we have believed the game industry is ready for disruption not just from nintendo but from all game developers it is what we all need to expand our audience it is what we all need to expand our imaginations their new strategy was called blue ocean strategy

turbocharge your marketing efforts with the powerful fuse strategy the fusion media marketing bible explains how to pinpoint the most effective elements of your traditional marketing efforts and combine them with social media and digital marketing to reach more customers than ever while spending less money packed with case studies from linkedin new zealand world cup rugby sheetz convenience store restaurants and other companies that have made fusion marketing work for them it provides everything you need to drive dramatic increases in traffic and revenues praise for the the fusion marketing bible as many marketers get attached

to social media tools they have forgotten that all marketing is about having conversations and providing real benefits to customers. Long's techniques will teach you how to fuse traditional media, social media, and digital media to create authentic conversations that build trust, loyalty, and yes, revenue. Carmine Gallo, author of the bestselling book *The Apple Experience: The Presentation Secrets of Steve Jobs* and *The Innovation Secrets of Steve Jobs*, perfect for entrepreneurs looking to better understand the relationship between traditional media and marketing and social media, is a very likeable book. Indeed, Dave Kerpen, New York Times bestselling author of *Likeable Social Media* and *Likeable Business*, long shows us how to make traditional digital and social marketing work in concert. He gets us thinking about marketing in 3D. Erik Qualman, bestselling author of *Socialnomics* and *Digital Leader*, includes 21 videos accessible through QR codes.

Bruce Klatt's *The Ultimate Training Workshop Handbook* was written for those who want to excel as trainers and to offer maximum value both to client employers and workshop participants, focusing on success in front of the group and based on Klatt's 25 years of experience. This comprehensive guide takes you from the contracting stage through evaluating results; it shows you how to prepare yourself and your clients and how to construct the workshop.
